Subject:	MCA Designation for Crook Point-Mack Reef and Blacklock Point...

Rocky Habitat Working Group:

I am writing to show my strong support for Marine Conservation Area designation for Crook Point-Mack Reef and Blacklock Point under the Oregon Rocky Habitat Management Strategy. Both areas are special to the South Coast and need to be protected . Sometimes too much popularity is not a good thing...

I also urge that all current proposals along the coast be reviewed fairly and transparently by the Rocky Habitat Working Group in a timely way, using" objective evaluation criteria.”

Thank you for your consideration,
