

## ***OAH Council 2<sup>nd</sup> Biannual Report Outline (Due September 15<sup>th</sup> 2020)***

### **Letter from the Co-chairs**

**2 pages**

- Stresses the ongoing need for more OAH work/research
- Ties into the Governor's Executive Order on Climate
- Restates that this is an ongoing process and the council does not sunset

### **OAH Council Process**

**2 pages**

- New members elected into the council
- Quarterly meeting
- Transitioning from OAH planning into OAH project implementation

### **The OAH Action Plan Development and Rollout**

**5 pages**

- Why is the action plan needed?
- Provide executive summary table from the Action Plan (*1 page*)
- What makes it different from the 2018 OAH Report?
- OAH Action Plan – Appendix A (*2 pages*)
- How are we planning on implementing the Action Plan first?

### **OAH Council Progress (2019, 2020, and onward)**

**~ 10 - 15 pages**

- Re-establish oceanographic monitoring to complement an historical time series in Yaquina Bay. (***Action Plan 1. 1. 1.***)
  - Building partnerships with industry, tribal, and agency
  - OOMG Coordination and Planning
  - Brief parallel with the Tillamook Bay Project
  - OWEB Grant Development Progress (... and other grants?)
- The OAH Council develops a communications plan and outreach materials to meet the needs of diverse stakeholders and provides solutions-oriented messages on OAH science and impacts. (***Action Plan 4. 1. 2.***)
  - Formulation of the OAH Education and Outreach Working Group
  - Goals of the E&O Working Group
  - Status of current OAH and where are we going next

- The OAH Council convenes “State of OAH” workshop for communities on OAH science, impacts, and solutions with policy makers as well as communities and at risk industries. **(Action Plan 4. 2. 2.)**
  - Planning Oregon’s Fisherman Roundtable (continuing work from 2017)
  - Planning OAH Breakout Session at 2020 Oregon State of the Coast
- The OAH Council incorporates agencies’ reports into ongoing development of recommendations to the State. **(Action Plan 5. 1. 2.)**
  - Process of the Agency Gaps Analysis
  - Timeline for Report development
  - Goals and plans for implementation
  - Ways to incorporate and collaborate with other State activities on climate and ocean change
  - Brief update from each of the 8 agencies

#### **OAH Council Moving Forward**

**2 pages**

- Long term implementation of Appendix A
- Evaluation planning for next steps
- Why we need the council and to address ocean change in a changing world (i.e., possible recession)

---

#### **LIST OF REPORT APPENDICES:**

- OAH Action Plan – Main Report
- OAH Action Plan – Appendix D
- Education and Outreach Document on OAH Action in the Oregon
- OAH Council Letter to DEQ on Water Quality
