

ODFW's Ecological Atlas Data Feedback Form:

Scientific Expert: _____ Topic Area: _____

Please address the following questions in relation to your topic area (as listed by you above – feel free to use additional forms to give us feedback on other topic areas):

1. **Data use**

(e.g. Is data display appropriate? Are these the correct data to be used for TSP?)

2. **Data limitations**

(e.g. What are the caveats of one or more of the data sets in this topic area?)

3. Data analysis approach

(e.g. Is data analysis/modeling appropriate for planning purposes? Are additional steps needed?)

4. Data gaps

(e.g. Are there additional data available that we have not yet identified? Is there additional research needed? If so, what exactly?)
