4:30 Adjourn		<ul> <li>Science advisory and review protocols</li> </ul>					
	4:30	Adjourn					

## **Draft Meeting Objectives:**

- 1. Review the marine reserves and territorial sea planning processes, activities, products, and timelines
- 2. Review the purposes, organization, anticipated activities and product from the HB 3106 Near Shore Task Force
- 3. Discuss STAC role in science advice and review for MR, TSP and NSTF.
- 4. Discuss science advisory and review protocols: STAC role, conflict of interest, transparency
