Tribal Representative – Call for Applications

Official letter is formatted into the OPAC letterhead and available at www.OregonOcean.info

August 23, 2018

To whom it may concern:

The Oregon Ocean Policy Advisory Council (OPAC) is seeking qualified tribal representatives to serve on the Territorial Sea Plan (TSP) - Rocky Shores Working Group. This working group is tasked with amending Part 3 of the Territorial Sea Plan, the Rocky Shores Management Strategy. OPAC is seeking applicants who can effectively represent tribal interests in the rocky shore.

Interested individuals must submit a letter of interest by September 7, 2018 using the subject line “TSP Rocky Shores Working Group Application” (contact information below). To learn more about the OPAC and the TSP Rocky Shores Working Group, visit www.Oregonocean.info/RockyShores.

Ideal candidates will be Oregon tribal members and/or Oregon tribal staff. Desirable attributes include familiarity with rocky shore resources and/or cultural resources and previous involvement with OPAC and/or OPAC working groups.

The Territorial Sea Plan - Rocky Shores Working Group, a sub-committee of the Oregon Ocean Policy Advisory Council, is re-established as needed to update and amend the Territorial Sea Plan. This long overdue amendment will incorporate up-to-date natural and social science, as well as public comment, to best determine future strategies for managing rocky intertidal habitats. Current Working Group members represent, non-consumptive recreation, the public-at-large, state and federal agencies, education, research, tourism, and conservation interests.

Working Group members meet monthly, and as needed during public scoping periods, to identify and draft management recommendations for adoption into the TSP. Working Group members are volunteers, and travel support to attend meetings and workshops is available.

*Please include the subject line “TSP Rocky Shores Working Group Application” when submitting.

Send letters of interest, and any questions to:
