

OREGON OCEAN POLICY ADVISORY COUNCIL

Territorial Sea Plan – Rocky Shores Working Group

WHAT IS THE WORKING GROUP?

The TSP Rocky Shores Working Group is a sub-group of the Ocean Policy Advisory Council (OPAC) that is responsible for using the best known ecological and human use data to update Oregon's Territorial Sea Plan. Each of the group's members represents a rocky shore interest group, including commercial fishing, education, recreation etc.

CONTACT YOUR REPRESENTATIVE!

Members of the working group are tasked with gathering the input of individuals to represent general groups that have a vested interest in the many aspects of Oregon's rocky coast.

Please don't hesitate to contact your representative!*
