

# OREGON TERRITORIAL SEA PLAN

## Phase 2 – Rocky Habitat Working Group

### WHAT IS THE WORKING GROUP?

The TSP Rocky Habitat Working Group is a sub-group of the Ocean Policy Advisory Council (OPAC) that is responsible for using the best known ecological and human use data to update Oregon's Territorial Sea Plan. Each of the group's members represents a rocky habitat interest group. All meetings are open to the public and offer opportunity for public testimony.

Learn more at [www.OregonOcean.info](http://www.OregonOcean.info)

### CONTACT YOUR REPRESENTATIVE!

Members of the working group are tasked with gathering the input of individuals to represent general groups that have a vested interest in the many aspects of Oregon's rocky coast.

**Please don't hesitate to contact your representative!\***
